**PACCAR  
PARTS**

*Celebrating*  
**AUSTRALIA**

## OPENING WORDS FROM OUR GENERAL MANAGER

As we usher in a new year, it's the perfect time to celebrate the vibrant spirit of Australia, especially as we approach Australia Day. This occasion is a reminder of the rich tapestry of cultures, communities, and landscapes that make this country unique.

At PACCAR Parts, we take immense pride in serving our customers across Australia, ensuring that you have the high-quality parts and support you need to keep your operations running smoothly. In our dedication to exceptional service and support, we are excited to highlight our two recently expanded and renovated Parts Distribution Centres. These state-of-the-art facilities enhance our ability to provide timely and efficient deliveries, ensuring that you have access to the parts you need, when you need them. With strategically located distribution centres, we can swiftly respond to customer demands and minimize downtime, enabling you to focus on what truly matters - your business.

Moreover, with 64 Parts store locations spread across this vast continent, we are never far away. Our knowledgeable team is always ready to assist you with expert advice and quality products tailored to your specific needs. Whether you are in bustling urban centres or remote regional areas, PACCAR Parts is dedicated to delivering first-class service and support to every corner of Australia. This January, we invite you to explore our latest catalogue, featuring an extensive range of high-quality parts designed to keep your vehicles running smoothly and efficiently.

As the General Manager of PACCAR Parts, I want to take a moment to share a personal reflection. Originally from the PACCAR Parts Headquarters in Seattle, I have had the privilege of living in Australia and experiencing firsthand the warmth and resilience of its people. The commitment to community and service resonates deeply with me, and I am inspired every day by the hard work and dedication of our customers. It is my mission to ensure that PACCAR Parts embodies these values in every interaction and every product we offer.

Thank you for being part of the PACCAR family. May this Australia Day be filled with pride and celebration as we continue this journey together, providing the best in parts and service for all your needs. Cheers to a prosperous year ahead!

January 2025
